01568 708028 or 07831 762500

N 52° 14' 37.40 W 002° 52' 43.36

## At a Glance....

**Registration:** G-IWRB

**Type:** Agusta 109 MKII Widebody

**Year of Manufacture:** 1987

**Serial No.:** 7386

**Total Airframe Hrs:** 1527.7

**Total Engine Hrs #1:** 1527.7

**#2:** 1527.7

**Total Cycles #1:** 2956

**#2:** 2990

**Price:** £695,000.00

**Interior:** 5 place mid grey VIP leather seating with matching trim and pale grey headlining and luxury carpeting.

**Exterior:** Pearlescent white overall with metallic blue accent stripe and satin black mask.

## About the Aircraft....

The Agusta A109 series of helicopters were introduced in 1975, since which time they have retained worldwide acclaim as the fastest executive twin engine helicopter in its class. The A109 offers an ideal business environment for the transfer of passengers and is considered as the ultimate in corporate and executive transport.
